

FIFTEEN REBEL CHIEFS RENOUNCED CARRANZA

In Communication Said They Would Hold Themselves Subject Only to Villa's Orders.

COMPROMISE SINCE REACHED

Some Doubt of Effect of Trouble on Course of Constitutional Movement Expressed by Men in Close Touch With Affairs.

Laredo, Texas, June 20.—Fifteen generals of the Constitutional army, commanding a combined force estimated at 30,000 men, renounced General Carranza as "first chief" of the Constitutional movement in a note sent to his headquarters at the time General Villa resigned. Villa, however, did not sign the communication.

This and other details, suppressed by a rigid censorship at Saltillo, became known at the border to-day with the arrival of travelers from Saltillo and Monterrey.

The communication, it was authoritatively said, informed the man who has been the leader of the Constitutional movement since its inception that the generals would continue to fight against Huerta, but would hold themselves subject only to General Villa's orders, and would not recognize Carranza.

Before the travelers left Saltillo the breach had not been healed by the compromise since announced, and leaders in the Constitutional movement, fearing disintegration of the force which they had built up, had summoned every available man of influence to bring the factions together.

MEN IN TOUCH DOUBTFUL OF EFFECTS OF DISSENSION

Some doubt of the effect of the disunion on the course of the Constitutional movement was expressed by men who are closely in touch with revolutionary affairs in Northern Mexico, even though the breach apparently is healed, and both sides have agreed to continue against a common enemy.

The plan of Guadalupe, on which the Constitutionalists' campaigns have been based, provides that the first chief of the Constitutional army should remain at the head of the movement as Provisional President until an election had been held and the result voiced.

Hitherto, Carranza has been undisturbed first chief. What effect on the future of the movement the fact that the commanding officer of the largest and most powerful single unit of that army has denied him that title and authority will have, cannot yet be learned, according to the travelers. They said the Carranza forces apparently planned to go ahead, as though the incident had never happened.

Pablo Gonzalez, it is said, will attack San Luis Potosi at once, while Villa is taking Zacatecas, and then move southward, according to the original plan, with Villa advancing from the center and Obregon from the west.

"OLD BOYS" PARADE AT CHARLOTTESVILLE

Alumni Pageant Is One of Most Enjoyable Features of Plans at University of Virginia.

[Special to The Times-Dispatch.] Charlottesville, Va., June 20.—An enjoyable feature of the commencement exercises of the University of Virginia was the alumni pageant, participated in by several hundred "old boys" from all parts of the country. The six big reunion classes—1829, 1864, 1895, 1907, 1909 and 1912—were well represented, attired in gay costumes. The big parade included all reunion classes which had rallied back to alma mater, from 1829 to 1912. Heading the parade were '63 and '64, in glittering military uniforms. There were doctors, Turks, Irishmen, convicts, jockeys, sailors and Dutchmen. The '99 boys were arrayed in doctor suits, and the president, Dr. David E. Lyman, of Wallingford, Conn., was labeled as "Dr. Friedmann," and carried his pet turtle along with him.

Another feature of the alumni reunion was the old Virginia barbecue, under the supervision of William Garth, the well-known horseman.

H. L. Wilson, of Mexico City, traveled a distance of 6,192 miles, and received the cup given to the alumnus who traveled the longest distance to be present at the reunion. Cups were also presented to the following, who closely contested this honor: E. R. Schoon (1904), of Dallas, Texas, 1,320 miles; Andrew J. Ayler (1903), of Dayton, Wash., 2,700 miles; Toraco E. Hayden (1907), of College Station, Texas, 1,600 miles; J. W. Mchle (1908), of Bryon, Texas, 1,500 miles; T. L. Itice (1909), of New Orleans, 956 miles; George P. Walker (1913), of Yarmouth, Nova Scotia, 1,200 miles. The long distance cup given by the General Alumni Association went to Littleton W. Tazewell, of Paris, France, 3,600 miles.

A trophy was awarded the class of 1912 for having the largest number of alumni present at the reunion. The cups provided for the oldest sons of members of the various classes represented were awarded as follows: 1829—Walter Hayden Franke, son of K. Walter Franke; 1864—James N. Hubbard, Jr., son of James N. Hubbard; 1895—G. Gayden Robert, son of Dr. James G. Robert; 1907—Jefferson Davis Curry, son of W. Imman Curry; 1904—William Grant, son of Dr. H. Colles Grant.

EDUCATORS OF DEAF WILL MEET IN STAUNTON

[Special to The Times-Dispatch.]

Staunton, Va., June 20.—The largest gathering of instructors of the deaf ever held in the world, with the most famous of the leaders in that department of education, will assemble here at the Virginia School for the Deaf and the Blind on June 25 for a session of eight days. Quarters have been secured for a minimum of 600 delegates. It will constitute the twentieth meeting of the Convention of Instructors of the Deaf of the United States, whose president is the distinguished Dr. R. St. Gallaudet, of Washington, who will be present and take part in the proceedings, beginning with his address. Professor William A. Howles, superintendent of the Virginia school, with the board of that institution, constitute the hosts of the convention, a large part of the gathering being housed in the school. The city of Staunton and its citizens will aid in making the stay of the educators pleasant.

Victory for Tammany Hall.

New York, June 20.—The State conference of Democratic leaders to-day ended in a victory for Tammany Hall, whose adherents defeated a proposal that Democrats of the State call another conference to recommend candidates for the primary election.

PLAN REORGANIZATION OF ROCK ISLAND SYSTEM

Plan Contemplates Elimination of Both Holding Company and Creation of New Stock.

New York, June 20.—Committees representing collateral trust bonds of the Chicago, Rock Island and Pacific Railroad Company and committees representing stockholders of the Rock Island Company have reached a tentative agreement for the reorganization of the Rock Island system.

The plan as announced to-night contemplates the elimination of both holding companies, a return to the old Chicago, Rock Island and Pacific Railroad Company and the creation of noncumulative 7 per cent preferred stock of the railroad company.

Both bondholders and stockholders are protected under the plan. It is stated, and \$30,000,000 new money will be obtained to finance the road for the next three years. The trust indenture, securing the collateral bonds now in default, will be foreclosed, and the pledged common stock of the railroad company participated, according to the contemplated plan.

Out of this common stock collateral trust bondholders are to retain at par 42 1/2 per cent of the face value of their bonds and the remainder of such common stock is to be offered for subscription with the new increased stock. The bondholders thus retain 42 1/2 per cent of the stock deposited as collateral for their present bonds and part only with that necessary to raise the funds required and to add value to the stock retained.

CLEVELAND TAKES UP EPISCOPAL MISSION WORK

[Special to The Times-Dispatch.]

Standardville, Va., June 20.—Rev. Byrd T. Turner, of Madison, who has been serving the Episcopal mission field here since the departure of W. M. Cleveland, will take charge of the work July 1. He will move his family here from Madison and occupy the rectory. Mr. Turner will give one Sunday a month to Madison. Archdeacon Leve has experienced considerable difficulty in getting a man for this work. Rev. Robt. White, who has just returned from the Philippine Islands, was among those who were expected to come, and then took other similar work in Albemarle County. Mr. Turner will have the assistance of two clerical students during the summer—one at Lydia and the other at Pococan. Frank S. Persons, of Birmingham, Ala., is at Lydia, and Floyd Cartwright, of New York, is at Pococan.

Smoot-Henley.

[Special to The Times-Dispatch.]

Fredericksburg, Va., June 20.—Dr. William L. Smoot, of Essex County, and Miss Katherine Henley, daughter of Dr. and Mrs. J. M. Henley, of Tappahannock, were united in marriage on Wednesday at St. John's Episcopal Church, at Tappahannock. Rev. William Nelson Meade performing the ceremony. The bridesmaids were: Misses Lucinda Snow, Lucy Madison, Susan Madison, Louise Lewis, Eloise Robinson and Martha Fleet. The maid of honor was Miss Mary Ennad. Philip W. Smoot was best man. The ushers were: F. C. Latane, H. L. Newbill, Mack Dyke, Leonard Henley, C. H. Gresham, T. E. Cuthbert, Thomas W. Lewis, Hill Fleet and William T. Henley.

Found Dead in Bed.

London, June 20.—Sir John Edward Gray Hill, a nephew of the late Sir Rowland Hill, the postal reformer, was found dead in his bed at home early yesterday. He complained last night of indigestion, but his death was unexpected. Sir John, who was seventy-five years old, was an authority on maritime law.

ROANOKE BRIDGE COMPANY IS IN HANDS OF RECEIVER

Action Follows Friendly Suit in Chambers Before Judge Robertson—J. H. Schoenley Named.

Roanoke, Va., June 20.—It became known to-day that the Roanoke Bridge Company, Inc., a steel fabricating company which has had a prominent place in the industrial life of Roanoke during the past several years, was recently placed in the hands of J. H. Schoenley, of this city, as receiver.

The circular letter sent to all creditors over Mr. Schoenley's name practically sets forth in every detail the reason for the action, which was taken in the form of a friendly suit under the style, "The Iron Company, against the Roanoke Bridge Company, a Virginia corporation," in which McHugh and Heazel appeared as counsel for the plaintiffs.

In the order recently signed by Judge Edward W. Robertson, in chambers, Mr. Schoenley is appointed receiver, with full powers that usually go with such positions, and all creditors of the manufacturing concern are enjoined from interfering in any way with the conduct of the company's affairs by the receivers.

The authorized capitalization was further increased from a minimum of \$140,000 to \$250,000. It was at this time that Northern investors became interested, it is said, and about a year ago Mr. Schoenley, appointed receiver by the recent order of the court, came here and took charge of the plant as secretary and treasurer. The company was organized in 1906 with E. C. McComb as president, was a small capital which was largely held by Roanoke investors at first.

WILL USE PANAMA CANAL

Six Established Steamship Lines Give Notice of Intention.

Washington, June 20.—Six established steamship lines already have served notice upon the Panama Canal Commission of their intention to make regular use of the waterway. One vessel from the west coast ports of South America will be at the Pacific gates of the canal on July 2, seeking to make her way to Liverpool by that route, and thus to initiate a fortnightly service between Liverpool and the west side of South America.

An American steamship line now operating four steamers on the Pacific side and six on the Atlantic are waiting the opening of the canal to merge all ten into a regular line between San Francisco and New York.

Hawaiian sugar, which has already begun to come through the canal on barges, being transhipped at either end, will be carried in unbroken cargoes from Honolulu to New York, just as soon as Governor Goethals gives the word that regular steamships may use the gateway.

CONDITIONS IN TEPIC ARE MOST DEPLORABLE

On Board United States Ship California, Mazatlan, June 19.—Refugees arrived here to-day by the Pacific mail liner City of Para, report that conditions in the besieged city of Tepic are deplorable, but the censorship is so strict that no details are obtainable.

Forty American refugees left for San Francisco to-day on the Para. The long strain of the siege and the shortage of food are driving out even those foreigners who hitherto have been most obstinate in the defense of their business interests.

Health Recovered By Simple Remedy

Mrs. W. A. Johnson.

"I was troubled for years with liver trouble and biliousness and could find only temporary relief in the different remedies tried until I used your Warner's Safe Kidney and Liver Remedy. I am very pleased to state that it cured me completely and I have not felt so well in years."—Mrs. W. A. Johnson, Sycamore Springs, Santa Monica, Cal.

A lazy liver makes life a burden, as thousands of suffering men and women know. There is no energy for business or pleasure. Headache, sleeplessness, yellow skin and coated tongue indicate that the liver is not doing the work properly and the bile is not being carried off. Warner's Safe Kidney and Liver Remedy is an absolutely safe remedy for all inflammatory and other diseases of the liver and kidneys. It corrects the functional trouble by increasing the flow of bile into the bowels to a healthy standard and keeps it so. It aids in removing the waste material that obstructs the circulation of the liver and kidneys, and by its tonic and purifying properties brings to a condition of perfect harmony all the organs of the body. Warner's Safe Kidney and Liver Remedy has been tried and tested for 37 years and never found wanting, and is bound to do you good. Sold by all druggists in 50c and \$1.00 sizes. A free sample and booklet if you write Warner's Safe Remedies Co., Dept. 235, Rochester, N. Y.—Advertisement.

THE OUTDOOR MAN feels confident if he's suitably dressed, and plays a better game. It costs no more to have your clothes both appropriate and smart. The correct haberdashery for the sports is here in tempting array. Palm Beach Suits \$8.50-\$10

Be Clean! Inside and Outside

If you would be healthy, strong and happy. Baths keep the skin clean and in good condition. But what about the inside of the body? You can no more afford to neglect it than the outside. It is just as important that the system be cleansed of the poisonous impurities caused by weakness of the digestive organs or by inactivity of the liver.

DR. PIERCE'S Golden Medical Discovery

(In Tablet or Liquid Form) Cleanses the system—and more. It puts the liver in such a condition of health that it purifies the blood—as it should. It helps the stomach digest food so that it makes good blood—rich, red blood to nourish and strengthen all the organs. You may avail yourself of its tonic, revivifying influence by getting a bottle or a box of tablets from your medicine dealer—or send 50c for a trial box. Address as below.

FREE "Dr. Pierce's Common Sense Medical Adviser"—a French cloth bound book of 1008 pages on receipt of 31 one-cent stamps to cover mailing charges. Address Dr. R. V. Pierce, Buffalo, N. Y.

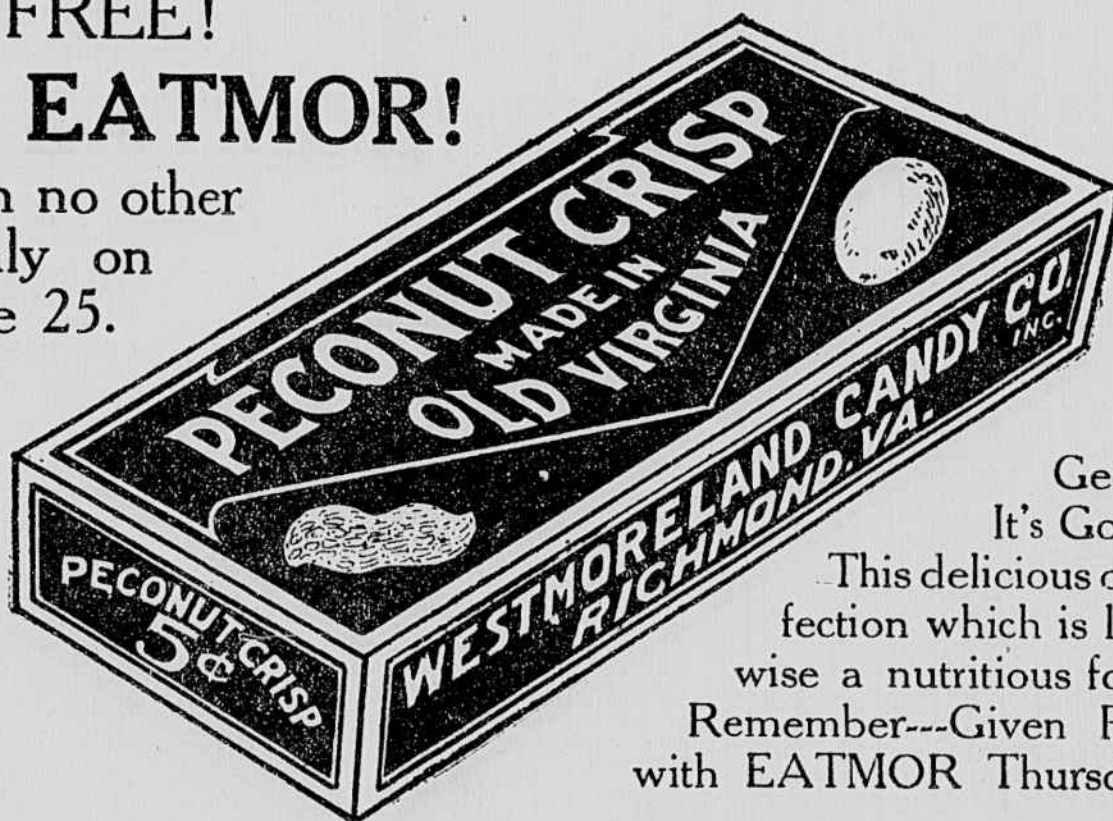

Free! Boys and Girls! Free!

With each and every loaf of EATMOR Bread you buy Thursday, June 25th, your grocer will give you a five cent package of Peconut Crisp---ABSOLUTELY FREE!

Be Sure to Ask for EATMOR!

This offer is good with no other Bread---and only on Thursday, June 25.

Pure!
Pleasing!
Healthful!

Gee!-- It's Good! This delicious confection which is likewise a nutritious food. Remember---Given Free with EATMOR Thursday.

MOTHERS---

Skip baking on Thursday and try EATMOR---the bread that's as clean and flavory as any you ever baked!

Thursday Will Be EATMOR Day in Richmond!

A Double Treat for the Boys and Girls!--A Loaf of EATMOR and a Package of Peconut---All for Five Cents.
